

# KEEPING YOU SAFE

**Our customers are the heart of our business  
and we want you to enjoy summer safely.**

**In order to help reduce the risk of a local outbreak of coronavirus  
we are taking contact details of customers, as well as recording  
times entering and leaving our premises.**

**In line with guidance issued by the government,  
we will keep your details for 21 days.**

**We will only share them with NHS Test and Trace, if asked,  
in the event of a fellow customer testing positive for coronavirus.**

**Please help us keep our customers,  
staff and the wider community safe by cooperating.**

*Thank you for  
your understanding.*
